

COMMERCIAL OFFER
FY2025 Subscription Plans to ExPro Energy Periodicals

ExPro Consulting, the leading Ukrainian consulting company in the electricity, gas, and oil markets, offers you the opportunity to subscribe to its analytical reports covering key developments in Ukraine's energy sector. Below are the details of our available periodicals and subscription plans.

Gas & Oil Market Reports

• **ExPro Gas&Oil Monthly** – A unique monthly publication covering Ukraine's gas and oil industry, including exploration, drilling, and field services. It provides data on production volumes, trading, and pricing trends.

• **ExPro Gas&Oil Weekly** – A weekly periodical summarizing major events in Ukraine's gas and oil sector, covering domestic and international market trends, drilling updates, infrastructure projects, and litigation. Published every Sunday by 19:00 EET.

• **ExPro Gas Daily** – A daily review (Monday-Thursday) of Ukraine's natural gas market, including trading activities on exchanges, procurement tenders, and gas transmission system updates. Published by 18:30 EET.

Electricity Market Reports

• **ExPro Electricity Monthly** – A detailed monthly report covering the electricity market segments, including bilateral contracts, day-ahead, intraday, and balancing markets. It also provides statistical data on electricity production, consumption, and trading.

• **ExPro Electricity Weekly** – A weekly overview of the main electricity market events, including market trading, generation, renewable energy, regulatory updates, and European market insights. Published every Sunday by 7:00 p.m.

• **ExPro Electricity Daily** – A daily publication providing real-time updates on electricity trading via the Ukrainian Energy Exchange and Market Operator, as well as European electricity price trends. Published four times a week (Monday-Thursday) by 8:00 p.m.
